

## INVITATION

### RILIAM project opening conference

**Venue:** (AGÓRA - Kálvária sgt. 23, 6722 Szeged, Hungary)

**Date:** 08/05/2019 (Wednesday) 1 p.m.

Being implemented under the Interreg IPA CBC Hungary-Serbia Programme, the „RILIAM” project aims to support SMEs from the region, dealing with industrial automation and industrial robotics. The Lead Partner of the project is Subotica Tech – College of Applied Sciences, whereas other project partners are the University of Szeged, the Business Incubator Subotica and the Chamber of Commerce and Industry Csongrad County.

The project opening conference is organized to reach all the potential beneficiaries and to promote the foreseen activities. During the activity the open call is launched in order to attract target groups, citizens and companies. Media is also covering the event.
